Mr. Baumgartner,

We, the senior class of 1979, would like to dedicate this yearbook to you in hopes to say a very special THANK YOU for everything you have done for us. For all the help support, guidance, and patience you have shown us over the past four years as our advisor

When we leave Palisades High School we will take with us a collection of memories which we will always treasure. The happy times, the sad times, the good times and the bad times all remind us of our high school years. The Homecoming Dance, Prom, and Class Trip, the pizza sales, candy sales, and magazines sales, and of course, our own graduation have formed these lasting memories of Palisades

But now before we go our separate ways to experience life and what it might show us, we want to thank you again, Mr. Baumgartner, for all you have done for us as individuals and as a class, and to say we hope it will not be long before we will be together again

With deep appreciation
The Class of 1979

Graduation represents a beginning and an ending. We tend to reflect upon our past as well as our future. As your advisor for the past three years, not only do I share the excitement, the satisfaction, the sense of accomplishment, and the anxiety you probably feel concerning the future, but also the sentiment involved as you leave Palisades High School

It is regrettable that just as I was beginning to share in your feelings, hopes, and goals, we now must say good-bye to each other. How swiftly these past three years have passed. It seems like it was just yesterday that I was asked to advise this class, that you were buying your class rings, that we were selling magazines, and we were building the Sr. Class float. These are moments that I will cherish and remember always, for on your graduation day a part of my life will be leaving with you

However, I do share in your joy. While there are many hackneyed expressions of advice and congratulations given to Seniors upon their graduation, most of them contain a sense of remorse or ending. I would like to look upon this day as a fresh start, a new beginning in which you will be experiencing the challenges of the future. I can only say that my life has been fuller because of my association with you. Thank you for this opportunity. Congratulations - I will miss you all!

James H. Palmer, Advisor

The Class of 1980 will sponsor the Junior Senior Prom this year to be held again at Hotel Bethlehem. In the past, they have had such fund raisers as Monty Python's **The Holy Grail** and **Tommy**. This year the annual magazine sale was the major drive. The junior homecoming float entry this year was **Heaven Can Wait** which won the class a tie for second place.

Ninth grade means the beginning of Senior High School, but a dual role in Palisades. Class advisors are chosen and fund-raising activities are sponsored, but being bottom man on the totem pole means junior high assemblies and auditorium study halls.

Dave Steumpfle and Randy Spring volunteered their services to the ninth graders. The officers chosen: Bonnie Cegalski, president; Bunny Witsch, vice president; Terry Cooper, treasurer; and Trina Fitz, secretary.

Plans for this year include a dance in March with proceeds to create a living memorial for Krista Warren.

Athletic Department

First row L R Mr. Johnson, Pete Hoernle, Michele Slaboda, bottom Mr. Gonsalves

Palisades coach Mrs. Eberts gets involved!

The Athletic Department is responsible for managing the entire interscholastic program at Palisades High School according to the rules and regulations of the Pennsylvania Interscholastic Athletic Association. The department is involved with scheduling games and officials, ordering and maintenance of athletic equipment and various other activities related with the athletic program. Palisades, as a member school of the Colonial League, sponsors the following sports: Cross Country, Golf, Tennis, Field Hockey, Soccer, Football, Cheerleading, Basketball, Wrestling, Gymnastics, Baseball, Softball and Track.

The faithful fans of Palisades sports

The Athletic Office is staffed by Mr. Marvin Gonsalves, Athletic Director, Mr. Jim Johnson, Assistant Athletic Director, Pete Hoernle, student manager and Michele Slaboda, student secretary.

Soccer

The soccer team worked hard throughout the season to improve their skills. The team finished third in the Colonial League with five wins, four losses and one tie. Our overall record was five wins, seven losses and one tie.

Five varsity players were selected this year for the All-Star team. Jon Moyer, Rich Gaibler and Jeff Pursell were selected for the first team. Bill Shook and Bruce McNealy were chosen for the second team.

There are nine seniors graduating from this year's team. We will also miss the two foreign exchange students that played on the team: Peter Lux and Marcus Holopainen. Palisades is looking forward to a more successful season next year.

Varsity Soccer: Jack Blair, Peter Lux, Jon Moyer, Andy Young, Jeff Pursell, Rich Gaibler, Mark Holopainen, Paul Woodman, George Slowars, George Bock, Doug Moninghoff, Will Wilson, Herman Sharrer, Mike Ott, Bill Shook, Dave Hani, Ted Plutzer, Jeff Holtz, Mark Kemmerer, Bruce McNealy, Dale Zeigler, Rob Taber, Mario Martorella.

JV Soccer: Tom Kemmerer, Dawson Hobson, Win Mauk, Earl Guiles, Chris Arrigo, Rick Walters, Buddy Eichlin, Scott Feist, Dale Ruth, Aaron Schlosberg, Wes Hawkins, Mike Roth, Don Workheiser, Mike Bahls, Bob Ashford, Dave Vitale, Barry Sutch, Tom Gaydos, George Somershoe, John Wisdo, George Gerczak, Steve Edgar, Jim Kemmerer, Bret Wright, Fred Belz, Dave Griffiths, Jim Ott, Rich Ponktera, Mike Julian, Terri Gaymen, Doug Daugherty.

Cross Country

First row L to R: Loren Bookbinder, Chris Kemmerer, Mike Jucewicz, Russ Snyder, Scott Peiffer, Lori Barnett. Second row: Mike Smith, Steve Henshaw, Terry DeGroot, Mike Kemmerer, Rich Wismer, Burke Griffith, Chris Fritchman, Rex Hoover. Third row: Steve Snyder, Curt Mease, Chuck Dagno, Tammy Mease, Scott Yerkes, Frank Resto, Sharon Campbell, Coach Lou Gonsalves.

Our young Cross Country team finished the 1978 season with a commendable 8 wins - 8 losses record. In Colonial competition, the Pirates captured 4th place with an 8-6 record.

Mike Jucewicz, the lone senior on the squad, completed a highly successful four year career. Mike joins a select group of former Pirate runners who won four letters.

Junior Mike Smith was the team's top performer. Mike finished first for Palisades in 8 out of ten triangular league meets. One of Mike's best races was at the District II Championships when he took 19th place out of 160 finishers.

Next season, Mike Smith will be joined by returning lettermen: Chuck Dagno, Mike Kemmerer, Scott Yerkes, Rex Hoover, Chris Kemmerer, and Lori Barnett.

Lettermen L to R: Mike Smith, Mike Jucewicz, Scott Yerkes, Mike Kemmerer

Golf

Last year's record for golf was 4 wins and 12 losses while this year we had a record of 2 wins, 9 losses, and 1 tie. In spite of less wins each person improved their score

Our best and most consistent player was Wayne Seifert who is a junior. He had an 85.9 average score, the most team points 17½ and had the most individual wins. Les Schuman, a senior, has the second highest average

Practice started this year on August 14 from 8-12 on Mondays and Thursdays. Our home matches are played at Tumble Brook golf course in Coopersburg. Scoring is computed both by medal (strokes) and match (individual holes won and lost)

Tying Bangor was the best matched played because of our previous loss to them 12 to 3. Hopefully we will do better next year

Bottom L to R: Wayne Seifert, Steve Kujawa, Mike Seifert, Top: Mr. Trapp, Mike Brand, Les Schumann, Mark Miller

This year our football teams experienced a big change, new coaches! Mr. Frank Jorle was the new head coach for the varsity team along with Steve Hohenstein. Ed Ruisz and Dave Cook were the coaches for the junior varsity team

The varsity record was a disappointing 1 win, 10 losses, while the junior varsity had a record of 2 wins, 8 losses. The high point of the football season was the 21-6 win over Northwestern on opening day. An excellent effort was turned out by our varsity against Catawauqua despite our 20-16 loss

The following players were named for Honorable Mention in the All-Colonial League: Dennis Mellor, Darryl Neff, Greg Marino, Bill Morris, Joe Burns, and Jeff Meixell

Next year we will miss 6 seniors on offense and 2 on defense, but look forward to a better season

These are some of the memories of 1978 Hockey team have and will remember for years to come. The season started and ended on an enthusiastic note. Palisades finished its regular season in a first place tie with Catasaugua with identical records of 15-1. Palisades lost to Catty 1-0, in the play-off game and missed the Colonial League title for the second consecutive season.

Seeded fourth in the District XI play offs Palisades defeated Emmaus in its first game—again, Palisades was to meet Catt. This time the game ended in a 0-0 tie after a 10 minute overtime. This forced the game into a flick-off, where Catty won 5-1. Undaunted by the defeat, Palisades went on to defeat Stroudsburg 1-0 in the consolation game which permitted them to play in the State Hockey Finals at Shippensburg State College—a first for any Palisades Hockey team. Playing against the defending state champs, Palisades played an excellent game keeping the score to 4-0, with Cedar Crest winning the difficult game.

Seniors Donna Kukura, Wendy Ritter, Michele Slaboda, Denise Marino, Ella Thompson, and Kay Kochersperger provided the "team spirit" and leadership throughout the season.

The Palisades Varsity Hockey team with its 5th best record in the state was not the only bright star. The J.V. hockey team and its outstanding players Lisa (killer) Hill, Wendy Dickerson, and Cindy Yerkes, with her excellent stick work, had an undefeated season.

The memories of 1978 season would not be complete without the mention of Anna - Karin Pettersson, affectionately known as, our foreign exchange student from Sweden. A pleasant smile - a real hockey enthusiast — a delightful girl whom we all grew to love.

The gymnastic season was a very successful one this year. As a team we have improved 25 points. The season starts with practice in November, although the girls must stay in good shape all year round. The team placed fourth in Districts and third in leagues. The captains this year were Denise Marino and Michele Slaboda. The high scores were Erica Horn and Carole Chase who competed in every event.

Basketball

Mark Kemmer, Bill Shook, Steve Kukura, Dave Glick, Jack Chase, Ed Miller, Mike Kacergis, Rich Gaiber, Ron Thompson, Ed Thompson

Our boys' basketball team improved this year over last. Last year our Varsity team had a 1-23 record while this year we're up to a 3-21 record. The JV team has the same record as last year. The high scores were Mike Kacergis for Varsity and Steve Kukura for JV. The coaches this year were Mr. Cahill, freshman team, Mr. Balliot, JV team, and Mr. Stitzle, Varsity team.

One thing that the coaches hope will improve the team's skills is that the gymnasium is open for practice three nights a week. One thing that has also helped this year is the enthusiasm and team work of the players.

Mr. Hensohn, Debbie Zeaross, Elly Thompson, Debbie Hershey, Linda Gelsebach, Lori Sawyer, Ken Wismer, Jimmy Mease, Linda Marsh, Miss Church, Pam White, Sherril Vanderlily, Donna Kukula, Beth Gawronski, Chris Vite

The girl's basketball team had a record of 12 - 1 this year. The first half of the season, they were in second place and during the second half of the season, they were tied for first place. The main scorers on the team were Lori Gruver, Donna Kukura and Linda Gelsebach. Mr. Heinsohn believes that from all of the team's hard practice, the biggest improvement has been in defense. The other players on this year's team, Shari Vanderlily, Ella Thompson, Desri Pursell, Beth Gawronski, Michelle Harris, Chris Vitale, Kim Wismer, Tammy Mease and Pam White, have also helped the team greatly.

This year our wrestling record was 1-11-1, making us sixth in the Colonial League and seventh in Districts. Lacking a full team this season kept us from having a winning season. Three students did prove outstanding in their skills. Bryan Flok and Dave LaFevre placed third in the Christmas Tournament while Tom Rimmer placed an impressive second. Tom also finished fourth in Districts and Bryan advanced to Regionals. The coaches this year were Mr. Jiorle, Mr. Johnson, and Mr. Spring.

The cheerleading squad this year consists of JV and Varsity members. Tri-outs for fall cheerleading are held in March of each year and the girls who make the squad practice several times a week including during the summer. Winter tri-outs are held in November. Each year the squad goes to camp (usually in August). They learn jumps, kicks, and new cheers. Camp is not mandatory but most of the girls usually go. The cost of camp is supplemented by bake sales. Fall Cheerleading squads perform for football, soccer and pep rallies. The Winter squads perform for basketball games and wrestling matches. The faculty sponsors this year were Wendy Hohenstein and Mary Ann Mommorilla.

This year's baseball team will consist of returning first baseman Bob Glancey, third baseman Bob Carr, outfielder Scott Yerkes and Mark Kemmerer, short stop and pitcher. Last year we had a 7-7 record which we are hoping to improve with the help of coaches Mr. Balliet, Mr. Johnson and Mr. Cross. The first game will be held in April.

Tennis

The Tennis Team improved very much since last year. This is only the second year and we won 3 matches, which is pretty good. The girls on the team worked really hard in improving their tennis.

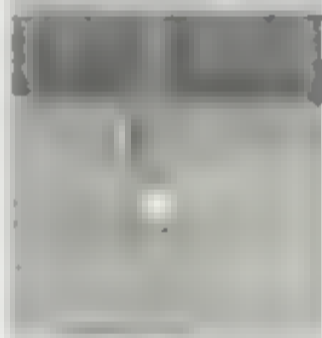

Our top ranked player was Sally Grim, who is only a freshman this year. "In the next three years she is going to develop into a very good tennis player," said Ms. Eberts.

The winningest player this year was senior Kelly Mayo. She played third singles and second doubles. "We're looking forward to an even better team next year," concluded Ms. Eberts.

The Palisades boys' tennis team will be made up of returning players: Scott Ogden, Les Schuman, Gary Scott, Wayne Seifert and Paul Woodman, and many new members. The first match is home against Saucun Valley. The tennis team's goal is to have their first winning season. The boys are working hard and have good attitudes. Mr. Wilson anticipates that Scott Ogden will be seeded first on the team.

Softball

Debbie Degan, Kelly Auer, Sally Grim, Patti Furness, Terri Seifert, Ginny Rocchino, Terri Price, Kathy Hughs, Sherri Whitman, Pam White, Joan Steubing, Diane Applegate, Kathy Stubbng, Pat Kukusk.

This year's softball team will consist of five returning lettermen. They are Donna Kukora a senior playing short stop, Ella Thompson a senior playing third base, Marilyn Lewis a senior playing second base, Linda Gelsebach a junior playing first base and pitching, and Beth Gawronski a junior playing catcher.

Other familiar faces are Pat Furness, Sherri Whitman, Pam White, Kim Wismer, and Michele Stofko. Some promising freshmen are Sally Grim, Terri Seifert and Terry Price.

Last year we placed second in the Colonial League and had a 6-2 record. This year we are hoping to do at least as well if not better.

The first game will be April 4 against Emmaus coached by Miss Adams and assistant coach Miss Nace.

This year the track teams are preparing hard for their season. Hopefully both teams will continue to improve. The girls' events to watch are the two-mile relay of Ginny Atkins, Adele Kallenbach, Wendy Ritter, and Maureen Campbell; the mile relay of Wendy Ritter, Tammy Mease, Karen Hardy and Lori Barnett; Melissa Schuberger in the discus; Lori Barnett throwing the shot; Kathy Greenawalt running 100 meters; and Patti Taber in the hurdling events. The boys should do well with the mile relay of Bill Morris, Mark Tange, Jeff Pursell, and Tom Ferrera; the two-mile relay of Mike Smith, Bill Morris, Jeff Pursell and Jon Moyer; Bill Morris running the 800 meters; Mark Tange running 400 meters; Jeff Meixell in the shot put; and with Greg Marino and Dave Lafevre in pole vault. Besides the dedication of these and many other students, much time is devoted by the coaches: Mr. Hohenstein in long distance running, Mr. Cook in field events, Ms. Schlegel in girls' sprinting and hurdling events, Mr. Ruisz in boys' sprinting, and Ms. Church in long and triple jump.

The induction ceremonies for the National Junior Honor Society are held in the spring of each year. Members are in ninth or tenth grade, but are selected and inducted in the spring of eighth grade. Induction is based on the student's grade point average. The purpose of NJHS is to create an enthusiasm for superior scholarship, to develop citizenship, to stimulate a desire to serve, to promote leadership, and to instill exemplary qualities of character. The officers are elected by the group and the advisor is a voluntary position. There are 45 members at present who meet every other Tuesday. This year the group is planning a trip to Hershey Park.

Nancy Werle making an announcement

The 1978-79 Student Council is headed by President Lorraine Henshaw. The Vice President is Nancy Woehret, Secretary is Michele Slaboda, and the Treasurer is Wendy Ritter.

Poor attendance is affecting the Council this year. Throughout the September and November meetings a quorum was achieved only three or four times. Without a quorum we cannot do any business or make any decisions.

Some of the projects for this year are the juke box, Homecoming and Dorney Park Night. We are also surveying the student body on the question of selling yogurt in the cafeteria.

The new advisors for Student Council this year are Lois Wolter and Peggy Loubris.

Library Aides

Library aids this year; Miss Leed says she has about 15 sr. high library aids working in the library. Being a library aid isn't just stamping passes. A library aid does a lot of things, like shelving books, carding and stamping-out books, finding magazines and books, and changing newspapers and magazines. Many Library aids complain about the dirty work and try to get out of it by telling someone else to do it or just saying that they forgot about their job. But everyone enjoys Fridays when Miss Leed brings in some homemade goodies.

Student Office

The Student Office consists of two parts the disciplinary part and the medical section. People most likely to be found in this area are Mr. Free Mrs. Nicholson and Mrs. Labs.

The disciplinary portion of the student office does many things. They take care of all attendance records including late slips, absences, and partial seniors. Donna Nicholson the secretary for the student office handles all paper work and State forms. Mr. Free handles any student discipline problems. One of the biggest jobs handled in this office is scheduling.

Mrs. Labs handles first aid. In addition to this, three-fourths of her time is spent working on paperwork for State health requirements. This is quite a feat considering she must fill out two or three forms for every student.

District Office

The central office for Palisades School District happens to be located in the high school, although at some future point the office plans to move either to the new elementary school or to Nockamixon. People you see going in and out of the district office are there for many different reasons: a resident may be coming in to pay his Earned Income Tax; a salesman may be calling on the business manager; a principal may be talking over a problem with the superintendent; a teacher may be giving a purchase order to the bookkeeper; or a bus driver may be handing over a time sheet to the payroll secretary.

Personnel in the district office include the superintendent, Melvin Kuhbander, the business manager, James McElrath, transportation director and buildings and grounds director, Lloyd Weierbach (who expects to retire in January 1979); and community relations director, Barbara Schumann. Responsible for the smooth running of the office are: Viola Fair, payroll secretary and the person responsible for contacting substitute teachers; Irene Brown, Earned Income Tax secretary and secretary to Mr. McElrath; Dorothy Schmidt, bookkeeper and secretary for accounts payable, cafeteria and activity accounts, Barbara Singley, Dr. Kuhbander's secretary; and Marian Szakacs, receptionist, part-time Earned Income Tax secretary and secretary for various administrative personnel.

Business

Business courses are offered because some of the courses, such as Typing, Shorthand, Accounting, Office Practice, Sales, and Clerical Skills are geared toward giving students skills that will enable them to get jobs in the business world when they graduate

Other courses, such as Business Math, Skills for Everyday Living, Our Economic System, Personal Typing, and Business Law, help students to understand and deal with situations that will arise in their lives after graduation

Homework assignments also vary depending upon the course. For example, Typing and Office Machines, students have little homework because they do not have the equipment at home. Other courses may have several assignments per week

The business department is constantly changing. They are always adding new equipment and new ideas so that the business students will be up-to-date with current trends in the business world

FINE ART

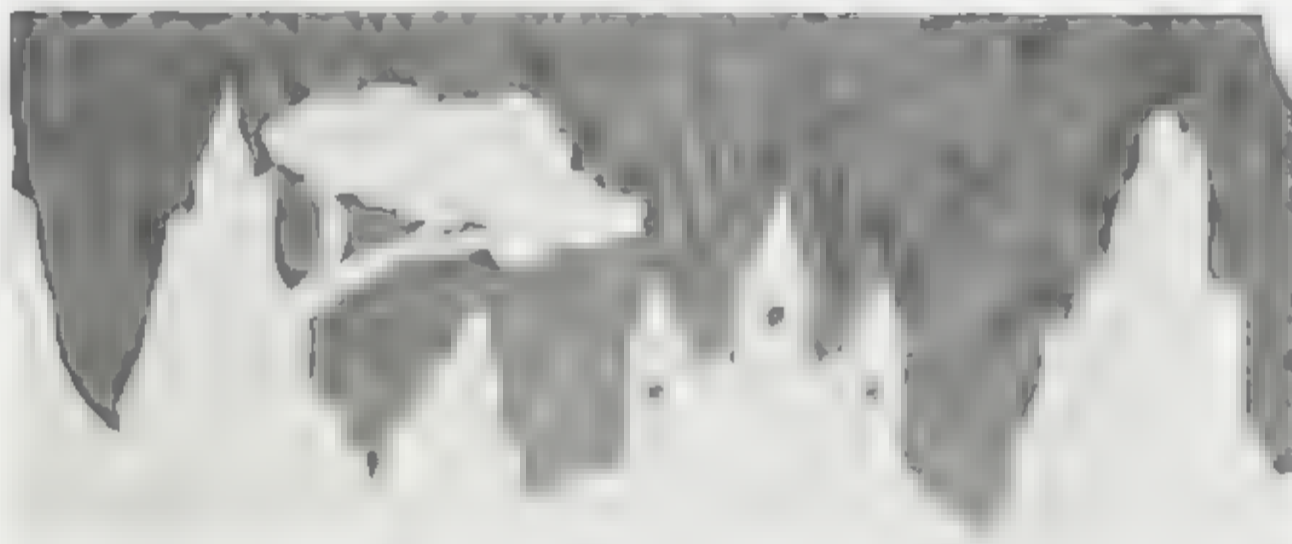

Brian Lucy concentrating on music

One full year of fine arts is required to graduate from PHS, although most students take one at least every year. Fine arts are offered to the students to help them develop their talent in music and art. The courses offered at present are the result of an interest questionnaire. No new classes have been started as of this year

Most students enjoy their class because they have a way to express themselves artistically

The teachers of the fine arts department are very interested in their own work and become actively involved with their students artistic development

American Government is offered so students have a working knowledge of our governmental system; local, state, and national. Generally the history department would like to acquaint the student with significant developments since America has acquired a position of world power

New offerings in the 1978 school year is a seventh grade semester course entitled Global Geography. The social studies or history department is unique because of its high degree of cooperation since most of the teachers have been a part of PHS for a number of years

The social studies department has also started the Oral History Club during 9th period. It's goal will be to preserve some of the rich local history while the "living sources" are still available

Math

Math is required because man could not function in the everyday life of our culture without it. Even after attaining a working knowledge of mathematics, it is important to keep up-to-date with facts that are newly discovered

There are several new clubs this year that are sponsored by the math department, such as Mastermind Club and Math Test Prep Club

The members of the mathematics department have diversified interests such as sports, snow mobiling and drama

Language

Foreign language is offered at PHS because of a state requirement, however many students have found that taking a foreign language is helpful when entering college and that the course of study is fun. Studying a foreign language is important to understand the culture of a country, not just to be able to communicate with the people of that country

The teachers in this department tend to have a more open attitude towards their students. Foreign language teachers are active in the American Field Service which sponsors students from other countries to come to the United States to study

English is required because it teaches us to communicate more effectively. English is the official language of the United States, but more than that, it is spoken by $\frac{3}{4}$ of the world's population. That's a lot of communicating! Also, language is the only conscious way most people communicate

English is required at the high school level because the older people get, the deeper their thoughts get, the deeper the thoughts, the more interesting they are. Courses such as Techniques of Writing and Advanced Composition refine earlier learned techniques of composition and help students express their more mature and complicated thoughts on paper

Psychology

Science is offered at PHS to provide new experiences for the student. Many of these experiences are indeed unique: a meal provided by student hunters, making molecules, taking blood from snakes and dry ice experiments.

The teachers of this department genuinely enjoy their subject and try to convey this to the student by their enthusiasm.

PHYSICAL & DRIVER EDUCATION

Jack Blair

The purpose of gym class is to prepare the student for physical stress in his or her future. This course helps condition the body and teaches the student good physical fitness.

Driver education teaches the student the basics of driving laws. It is offered to help students get a senior driving license at age 17 and to obtain a reduction in automobile insurance.

The yearbook staff would like to dedicate this page to the girls' basketball team and their superior efforts this year. Palisades High School captured the Colonial League Championship and is seeded third in District 11. As of this writing, we are pitted against Susquehanna High School in the State Championships. Good luck girls

THE PHOTOGRAPHER

The "Shutter-Bug" is always around the school. He's there in all his glory. Photographers serve a very useful purpose. They're responsible for getting all those out-of-focus pictures we see in our favorite yearbook. Of course, there is a perfectly good reason for him missing the good shots. You see, being a photographer requires a heck of a lot of equipment. This is why the photographer is so easy to spot in a crowd. He's the one who looks like a walking darkroom. He carries at least four cameras around his neck, six strobe units with umbrella-type reflector shields, light meters and external lights, 20 or so filters and a collection of lenses. The lenses are necessary to shoot those fuzzy pictures from every conceivable angle. Also, he has about 75 rolls of 36-exposure film, both color and black and white, on him at all times. Keep in mind, though, 75 rolls of film is only enough to last till 5:30. If he is using a motor-drive attachment for his camera, 75 rolls will only last for 9th period. Oh yes, he also has a log book to keep track of each picture and the exposure that produced its fine quality.

During the day the photographer will cover more distance than the track team does during a meet. He will be physically exhausted by the finish. His job is a hard one, full of frustrations. People get in the way, the athletes go too fast, and sometimes he forgets to remove the lens cap. Probably the biggest heartbreak he has to face, however, is when he misses THE SHOT of the day because he is reloading his camera.

Without him, though, most of us would never get the chance to see what all of the events we missed were like.

Not In Vain
Emily Dickinson

If I can stop one heart from breaking,
I shall not live in vain
If I can ease one life the aching,
Or cool one's pain,
Or help one fainting robin
Unto his nest again,
I shall not live in vain

Dedicated in memorium of David Hammerstone
Ron Steele, and Krista Warren
